

# it's my hospital

The **By Your Side** Campaign is pleased to introduce two members of the Campaign Cabinet – Elizabeth Powell and Ian Scates. The Campaign Cabinet is working hard to equip your new Health Centre.

"Peterborough Regional Health Centre is blessed with many supporters in the community. During my time as Chair of the PRHC Foundation, I had the pleasure of meeting many of you. As the **By Your Side** Family Division Chair, I have had the pleasure of getting to know some of the fabulous people we have working to make PRHC the best it can be. We have received extraordinary support from the Volunteers, Boards of Directors, the physicians and the staff. Their pride, enthusiasm and commitment are key to advancing the delivery of health care in this community. As a long time resident, I am proud to be able to give something back to the hospital that has served the community and my family so well".

"There is no doubt that support from the community was instrumental in bringing a new hospital to the region. As we get ready to move into our new facility, the need for new technology and updated equipment is clear but our job is never done. Ensuring first class health care stays in our hospital and community is the ongoing mission for PRHC and the Foundation and we ask you to join us in our efforts to be **By Your Side**".
