and Michael Taylor (right)

The **By Your Side** Campaign is pleased to introduce two members of the Campaign Cabinet – John Oke and Mike Taylor. The Campaign Cabinet is working hard to equip your new Health Centre.

“Our new Health Centre will have the best in technology and equipment, but only through the ongoing support of this community. This new equipment means that more patients will stay in their own communities for care, close to their family and friends when they need this support the most. I am proud to be part of the team that will make this happen.”

John Oke, Vice Chair Campaign Cabinet

“I am very proud of the PRHC Board of Directors and the PRHC Foundation Board for taking on the responsibility of leadership and support through their own gifts to the campaign. We are all contributing with our time, effort and financial investments to make sure we have the best quality care in our area. With the board leading by example and additional support by members of the community, we can make the difference in early detection of cancer and treatment that prolongs life.”

Michael Taylor, Chair PRHC Foundation
