PETERBOROUGH GAIN CLINIC INFORMATION

WHAT IS GAIN?

The Geriatric Assessment and Intervention Network (GAIN) is a system of 12 teams located in East Scarborough, Durham, Haliburton, Peterborough, Kawartha Lakes and Northumberland Counties.

GAIN Teams provide assessment, investigation, diagnosis, treatment, education, support and care to older adults dealing with complex health concerns about any of the following:

- memory loss or confused thinking
- walking and mobility
- falls or risk of falls
- bladder and bowel control
- multiple medications
- difficulty coping
- safety issues
- frequent hospital visits

YOUR GAIN TEAM

The staff of the Peterborough GAIN team includes:

- Nurse Practitioners
- Geriatricians
- CCAC Care Coordinators
- Behavioral Support Nurse
- Pharmacist
- Social Workers
- Physiotherapist
- Occupational Therapists
- Personal Support Workers
- Team Assistants

In addition to the care we provide, we also work closely with your doctor, nurse practitioner and other health care providers. The GAIN team works with you until your goals for the service have been met. We will also connect you with the other services you may need.

OUR SERVICE

GAIN referrals can be made by patients/families, doctors and other health providers.

WHAT YOU CAN EXPECT

1. Team member(s) will meet with you and your family to **help determine your needs**. This assessment involves various examinations and discussions. It is done using a professional team approach.
2. **Together** we will make a care plan.
3. As part of your health care team we will provide & help coordinate some of your identified health care needs and work with other members of your health care team.
