The Opportunity

PRHC is seeking a General Cardiologist to join its vibrant growing cardiology program. As one of the Cardiac Centres of Excellence for the Central East LHIN, PRHC serves as a regional cardiac referral centre for partner hospitals throughout the region. PRHC Cardiologists provide inpatient MRP cardiac care in our CCU, ward telemetry unit and consultation services to our busy Emergency Department and throughout the hospital. We have a high volume cardiac catheterization laboratory performing diagnostic and interventional procedures, including a 24/7 EMS bypass Code STEMI system. A Cardiac Electrophysiology program is starting in 2025.

The cardiac program is supported by the on-site regional nephrology and hemodialysis program, vascular surgery and a Level 3 ICU.

Interested candidates would be expected to participate in PRHC's existing Nurse Practitioner (NP) supported Regional Chest Pain, Rapid Access and Heart Function clinics.

Qualified candidates will have the chance to:

- Join an established group community cardiology practice, which offers a full range of stress testing, stress echocardiography, echocardiography, Holter monitoring and nuclear cardiology modalities
- Read nuclear perfusion stress tests at a large volume community centre
- Perform TEEs to support our programs patients requiring structural heart evaluation

Position Qualifications:

- Currently licensed with the College of Physicians and Surgeons of Ontario or eligible to obtain license
- Fellow Royal College of Physicians and Surgeons of Canada
- Strong interpersonal skills and ability to work effectively with physicians, nursing, staff, patients, directors, managers, and the community as required
- Eligible for staff privileges at PRHC
- Evidence of ongoing continued medical education
- Demonstrated interest in patient safety and quality improvement
- Level III echo or TEE proficiency preferred but not required

One team, here when you need us most.

Work Better

PRHC is a regional hospital delivering acute healthcare to a rapidly growing population of more than 300,000 in Peterborough and the surrounding communities, including the First Nations of Curve Lake, Alderville and Hiawatha.

The Health Centre is located in Peterborough Ontario, a 90-minute drive north-east of Toronto – and has a proud local history extending back over a century. We are the region's largest employer with more than 3,100 staff, 450 physicians with privileges and a core group of 250 volunteers.

As a member of the PRHC team, you will be part of an exceptional working environment – a forum to share knowledge, to learn, to develop talents, relationships and careers, and a culture that recognizes and rewards the achievements of its people.

Live Better

In Peterborough, you'll be as close to the great outdoors as you are to work, schools and other amenities. Cottage country is as close as 20 minutes away. An hour south of Kawartha Highlands Provincial Park and a couple of hours from Algonquin Provincial Park. Here, we boast all the conveniences and comforts that an exceptional quality of life demands. Here, you can have it all.

Just 90 minutes from downtown Toronto by car, Peterborough is a unique community unto itself, an established entity with a rich heritage, a thriving culture, and a bright future. Home to Trent University and Fleming College as well as a burgeoning business sector, the opportunities here abound.

Peterborough offers a unique blend of outdoor pursuits and urban amenities right at your doorstep. Our arts and culture community is renowned for its exceptional events, exhibitions and performances, and the city offers a wide array of multicultural cuisine, local cafés, and unique shops.
